

Dear Parent(s) or Guardian(s),

Congratulations! Your child is participating in the BizWorld.org Impact Challenge! We encourage you to ask your child about what s/he is working on over the next few weeks. Your child will start a business, create a budget, buy materials with funding supplied by us, and sell the products or services his/her company creates. Proceeds will be donated to important social causes that the students choose such as the BizWorld Impact Fund which sponsors the BizWorld program in another classroom that is waiting for their entrepreneurship experience.

BizWorld.org is a 501(c)(3) non-profit organization whose mission is to empower children to become 21st century thinkers by awakening their entrepreneurial spirit, inspiring them to become the architects of their futures, and giving them the confidence to transform their world

We encourage you to share your observations with us via email or our other social media. Additionally, if you have any questions or concerns please contact us at support@bizworld.org or 415-503-5880.

Kind regards,

The BizWorld.org Team
