

SALES BAZAAR WORKSHEET

Use this sheet to calculate the profit for your company.

(NOTE: If your class did not separate **expenses** for each individual company, report just your overall **revenue** to your teacher in order to find out **total profit** as a class)

COMPANY NAME: _____

DATE(S) OF SALES BAZAAR: _____

$$\text{REVENUE} - \text{EXPENSES} = \text{PROFIT}$$

Total Company **REVENUE**

Minus Total Company **EXPENSES** —

Total Company **PROFIT**
