

6.2 BizWorld Market Survey

Imagine you are going shopping at the BizWorld Market! You will have 15 BizBucks (or pretend dollars) to spend. Some things cost just a few BizBucks, and some cost more because they took longer to make.

There are no right or wrong answers – we just want to know what you like!

1. What kinds of things would you like to buy at the market?

(Circle or underline all the types of things that sound fun to you!)

Toys

Art or crafts

Snacks or treats

Books or stories

Clothes or accessories

Plants or nature things

Surprises or mystery bags

School supplies

Pet or animal-themed items

Something shiny or special

Other (write your idea here): _____

2. What kinds of things would you spend the most of your BizBucks on?

(Circle or underline one or two.)

Something handmade

Something that looks really cool

Something I can share or give as a gift

Something creative I can make or decorate

Something I can enjoy right away

Something that lasts a long time

3. How would you decide what to buy first?

(Circle or underline one that feels most like you.)

I'd pick my favorite thing right away

I'd look at everything before I decide

I'd see what my friends are buying

I'd shop around for the best value

I'd choose something that looks interesting or new
