

# Funding/ Stock Shares Record:

Total shares received		
<b>Stage:</b>	<b>Number of shares sold</b>	<b>Price per share</b>
A - Design		
B - Production		
C - Marketing		
D - Sale (final)		
Total shares remaining (after all stages A-D have been completed)		

Using the chart below, shade in the number of stocks your company sold to the Venture Capitalist during Sessions 7, 9 and 12 :

## Things to consider when selling shares to a Venture Capitalist (VC):

*What do shares of stock represent?*

*Are we okay sharing ownership and decision-making with someone outside of our company?*

*If the company grows in value, how much future profit are we giving away by selling shares now?*
